Listen button

Vocabulary index button

If you want to use the full deck of flashcards for practice, press on the "vocabulary index" button to choose any word you like from the complete wordlist.

Tools

The Tools bar is movable to any place on the screen. You can grab it from its "TOOLS" title and drag it wherever it suits for you. You can also rotate the bar by pressing on the "rotate" button.

Rotate button

Close button

Pen
Press on the pen tool to write or draw lines on the screen. You can write anywhere you want.

Pen width
Press on the pen width tool to choose from three different sizes for the pen and the outlines of boxes and circles.

Colour
Press on the colour tool to choose the colour that you will use for the pen, the box or the circle. Choose between black, blue and red or pick up yellow to make your pen a transparent marker.

Rectangle
Press the rectangle tool and choose between a transparent rectangle and a filled rectangle. Then press and drag to create the rectangle.

Circle
Press the circle tool and choose between a transparent circle and a filled circle. Then press and drag to create the circle.

Erase
Press on the eraser tool to choose between the eraser and the recycle bin. When you have the eraser you can press on anything that you created with the Tools bar on the screen and delete it. Choose the recycle bin to erase everything in just one stroke.

Magnifier
Press on the magnifier tool and then somewhere on the screen to magnify that area. Press again on the magnifier tool to return to normal view.
Screen
Press the screen tool to hide everything on the screen. You can press on this white screen and drag it left, right, up or down to reveal part of the whiteboard content.

Activities

All the activities include answers. To display the answers, press on the area where the answer should be. If you press on an answer again, it will hide itself. The answer can be a text, a shape, like a circle, or a ✓ symbol.

For "Match" activities, press on the small circles to display the answers.

The pencil symbol found at the corner of some exercises indicates personal response activities guidance to these activities is provided to students by the teacher.
