

# Suggested Pacing Charts for Traveller 5

## Five sessions per week

The weekly pacing chart on pages 163-169 has been created for a sixteen-week semester, in which the students have five sessions per week. Holidays have also been taken into consideration; therefore the total number of sessions has been calculated to be seventy-seven.

So, 16 weeks X 5 sessions per week = 80 sessions  
minus 3 sessions for holidays = 77 sessions altogether.

Since the dates of holidays vary from year to year, the holidays have not been included in a specific week in the weekly pacing chart. Instead, the final week (week 16) is shown to have two sessions rather than five.

19 sessions are required for each module to be completed. Specifically, the teaching sessions are as follows:

- 1 session (cover page and test correction)
- 1 session (reading)
- 1 session (vocabulary)
- 1 session (grammar)
- 1 session (listening and vocabulary)
- 1 session (vocabulary and grammar)
- 1 session (speaking and examination practice)
- 1 session (writing)
- 1 session (reading)
- 1 session (vocabulary)
- 1 session (grammar)
- 1 session (listening and vocabulary)
- 1 session (vocabulary and grammar)
- 1 session (speaking and examination practice)
- 1 session (writing)
- 3 sessions (round-up + self-assessment)
- 1 session (test)

One session is left over for revision.

## Four sessions per week

The weekly pacing chart on pages 170-176 has been created for a sixteen-week semester, in which the students have four sessions per week. Holidays have also been taken into consideration; therefore the total number of sessions has been calculated to be sixty-one.

So, 16 weeks X 4 sessions per week = 64 sessions  
minus 3 sessions for holidays = 61 sessions altogether.

Since the dates of holidays vary from year to year, the holidays have not been included in a specific week in the weekly pacing chart. Instead, the final week (week 16) is shown to have one session rather than four.

15 sessions are required for each module to be completed. Specifically, the teaching sessions are as follows:

- 1 session (cover page and reading)
- 1 session (vocabulary)
- 1 session (grammar)
- 1 session (listening and vocabulary & grammar)
- 1 session (speaking and examination practice)
- 1 session (writing)
- 1 session (reading)
- 1 session (vocabulary)
- 1 session (grammar)
- 1 session (listening and vocabulary & grammar)
- 1 session (speaking and examination practice)
- 1 session (writing)
- 2 sessions (round-up + self-assessment)
- 1 session (test)

One session is left over for revision.

### *Abbreviations used in pacing charts*

SB = Student's Book

Ss = Students

p. = page

pp. = pages

### **Recommended homework:**

It is suggested that the Ss are asked to study the active vocabulary of each session.
